Overlooking the Arrohattoc District Gary Gibbs Arrohattoc District Committee Chair

Happy New Year Arrohattoc! As we leave 2009 behind, we had an outstanding year for which we can be very thankful and proud. We had great successes in all of our functional areas to include Finance, Membership, and Program. But 2009 is now in the record books and it will be part of our legendary aura. It is time now to look toward the future.

I want this to be a year of exceeding our limits. I want to see our district committee grow, but to realize this, we need to see new faces willing to step up and help in any one of our outstanding areas. However, we need help in Finance and Membership in particular. The time commitment is surprisingly little if the work isn't left to a choice few. Please consider asking yourself what contribution can you make to your district and let it be known so we will find a place that fits your abilities and time constraints.

I want our training program to grow. We have an outstanding cast of volunteers that train our new Scouters, but we have many experienced Scouters where their many talents aren't tapped. Many of you have so much to offer in getting new Scouters off on the right foot. Be part of a truly outstanding team of trainers. You too can be proud to know you have steered our Scouters of the future in the right direction.

I want this to be a year of new ideas. What, as a district, can we do differently to make us even more successful? Ideas are not useful unless they are shared. As new Scouters come into the fold, with them come creative minds. We need to continually ask ourselves why? Can we do it differently? We need to challenge ourselves to make our processes better. Please do not rely on your neighbor to speak up or wait until someone else takes the initiative that might never happen. Be active. Be involved. Let your voice be heard. We will listen.

I want us to achieve Centennial Quality District in our 100th Anniversary Year. As of this writing, our 2010 goals have not been finalized. Regardless, each of us must do our part to achieve these goals. Each of us has accountability to make our district shine in the council. I have always, and continue to say that our district is truly legendary because of our volunteers. I do not say this lightly. I see firsthand the dedication and passion from many of you. I see how hard we work and the countless hours we put into this program. For many, your "one hour a week" has multiple zeros following that one. And all of this is done cheerfully and without any distaste or complaining. I cannot be more proud while representing you as your District Chairman. I thank each of you for all you have accomplished and what great things I see in all of us as we begin our journey into our next 100 years.

Overlooking District Program Chris Sherman Vice-Chair - Program

Hello fellow scouts and scouters. Another year is upon us and as I think about the wonderful events and blessings from the past year, I can't help but look forward to the promise of new opportunities during 2010. As we begin this new year and new decade, I wish you all health, happiness and success.

Having said that, I would like to take a moment to reflect on the word, "success".

We often think of "success" as the attainment of wealth or position. However, success can also be much less materialistic. Success can be as simple as an effort to put a smile on a person's face. Success can be the achievement of a personal goal. Success can be the result of trying your best, regardless of the outcome. Success comes in so many flavors.

As it relates to the Arrohattoc's scouting program, during 2009, success came in the form of well attended training sessions, challenges at day camp, entertainment at camporees, camaraderie at the district dinner, competition at the pine wood derby, collection of bags for scouting for food, and an effort to land "the big one" at fishing fun day. That is but a sample of our 2009 success. The litany of accomplishments is tremendous and none of that would have been possible without all of you. You made a difference. What a wonderful accomplishment. Take a moment to stand tall and raise your head high... for you are a success.

To wrap up this thought, I'd like to share the following. My son was recently asked to share a favorite quote. Here was his response. Enjoy... and have a happy and successful new year.

The Meaning of Success

To laugh often and much;

To win the respect of intelligent people and the affection of children;

To earn the appreciation of honest critics and endure the betrayal of false friends;

To appreciate beauty, to find the best in others;

To leave the world a bit better, whether by a healthy child, a garden patch or a re-deemed social condition;

To know even one life has breathed easier because you have lived.

This is to have succeeded.

- Ralph Waldo Emerson

Overlooking District Finance Tammy Cahoon Vice-Chair - Finance

The last Drumbeat I talked about the “No Mon, No Fun” part of our organization. I also asked for volunteers to help us meet our goal. We surpassed the goal of the District by increasing our district sales 56% this year with over \$273,000 sold! We sold a chunk of the popcorn sold in the entire Council! How did we do it, the other districts continue to ask? I say, because the Arrohattoc District rocks!! Many of our units are finally realizing that most people haven’t even been approached to buy popcorn and when you ask **the community will buy!!!!** For those of you that opt out on the popcorn, you may want to reconsider for next year. A majority of citizens in Amelia, Blackstone and Chesterfield have never been asked to buy popcorn! And it appears, when asked folks can’t seem to say no to a scout!

This of course is the time of year when we all begin the process of meeting our goal for the 2010 Friends of Scouting Campaign. In October our Friends of Scouting steering committee made an action plan to meet **our 2010 goal of \$120,000 by April 14th**. You see, we all remember February 14th when we show our love to those we admire. But do we have a date in mind to show our appreciation for the new air-conditioning in the dining hall at Brady Saunders or the new gravel placed at Albright Scout reservation??? Or the funds needed to provide the best entertainment in the Council, like the October Camporee Show at Brady Saunders or the 400th Encampment Saturday night entertainment; these things take not just people time but money as well. We all must commend ourselves for volunteering our time (one hour a week) to making the Arrohattoc District a district that doesn’t just watch things happen, but we make things happen! With that in mind, I hope you all will **implement a unit plan** with the **help of your Unit Captain** (if you don’t have one yet-it’s not too late) to ensure the Council and our District continues to have good programming and professional staff to support our mission.

Many of you don’t love to sell popcorn or ask for money and that’s ok, you have other talents like keeping track of the training records or organizing a unit to go on a week-long hike. Things I could never find myself doing, But we all have an opportunity to serve in our own way the organization we enjoy so much. For those of you that are willing to be a presenter (no more than 5 minutes), we can use your support! We have over 60 units to reach in a short time period. If we all make an effort to reach our goal (which will be updated on the Website every few weeks) by giving people the opportunity to understand why we have an FOS campaign and write a check or make a pledge to contribute the amount their family is comfortable with we can do this by April 14th! So please have us visit your unit before April 14th, so we can spend the spring and summer making the 100th Anniversary of the BSA memorable for scouters and the community we serve. As our FOS steering committee chair, said “GIT R DONE!” (I didn’t make this up he really said this – told you we have fun on the Finance committee) No matter what the economics are in our community, the Boy Scouts of America made it through the Depression and other challenging times and we will continue to exist and thrive with your SUPPORT! No matter how small or how large the contribution is if it’s from the heart we will make it happen! After all, we are the Legendary Arrohattoc District, young and vibrant!!! We are all willing to embrace change and go outside our comfort zone to try new things and make things happen. Thanks for all you do and.....

Bless you and your family this New Year,

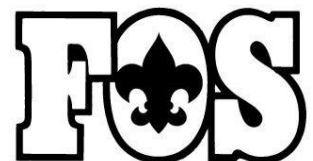

Friends of Scouting Fundraising Dinner February 16!

Joe Theismann - Keynote Speaker

Mr. Theismann is a former star quarterback for the Washington Redskins and an NFL commentator. In addition, he was a Cub Scout, Boy Scout (Life rank) and an Explorer, and has a great message about Scouting and its influence on his life.

The Scouts are also very pleased to announce that Dominion Resources, Inc., which is also celebrating its 100th year, is the lead corporate sponsor. Dominion’s CEO, Tom Farrell, is serving as the honorary dinner chairman.

The event will take place February 16th at the Greater Richmond Convention Center. The district FOS Chair is Ken Holder. The district Family FOS Chair is Tammy Cahoon.

Arrohattoc District Training

- All courses are national BSA training courses presented by district volunteer instructors.
- You may take training in any district.
- There are four main components to Training (the first three can be done online at <http://www.olc.scouting.org>):

Fast Start Training

Fast Start training is the first step for any new volunteer and is to be delivered immediately after a new leader registers and before he or she meets with any youth member.

This is Scouting (replaces new Leader Essentials)

The new Basic Leader Training comprises two parts: New Leader Essentials for all unit-level leaders and Leader Specific training, which is based on the leader's unit-level position.

Youth Protection

Every leader in Cub Scouting should complete Youth Protection training, which provides essential information about working with youth.

Leader-Specific Training

These break out sessions are for specific positions within a Cub Scout Pack, Boy Scout Troop, and Venturing Crew and some have an introduction to outdoor skills.

OA Update for the Takachsin Chapter of the Nawakwa Lodge

The Order of the Arrow is Scouting's National Honor Society. More than 180,000 members strong, the Order of the Arrow recognizes Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. The OA can help strengthen troops by providing leadership training and opportunities for OA members and by assisting in summer camp promotion, camporees, Scout shows, and other activities. Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long-term resident camping, and providing cheerful service to others. Go to www.oabsa.org for more information.

The annual Nawakwa Lodge Fall Fellowship and Banquet was a great success. Everyone enjoyed the games, training, fellowship, and FOOD! The national Vice Chief, Mr. Dan Higham was there as a special guest.

Join the Takachsin Chapter (28) Nawakwa Mailing List

Are You Getting OA Chapter Updates? All current members can now join the Takachsin Chapter (28) Nawakwa Mailing List managed through the Arrohattoc website. Stay current on Chapter meetings, events, and service opportunities. Visit <http://www.arrohattoc.org/mailling-list.html> to sign up for the Arrohattoc NAWAKWA CHAPTER Mailing List. You can cancel at any time. Please send any questions to chapter28chief@nawakwa.org.

OA Election Season

We are kicking off another season of OA Unit elections. Scoutmasters, the OA provides an opportunity for your more dedicated youth to join others in the Brotherhood of Cheerful Service. Schedule your unit election well in advance to ensure coverage. Contact the Chapter Unit Elections Chairman at "aramirez8706@gmail.com" or "jramirez8706@Gmail.com". We are also looking for additional youth members wising to serve as an elections team representative. If you want an easy way to get involved and serve your chapter/lodge, contact Andrew and attend chapter meetings.

OA Chapter Ceremony Team

We are starting a new Chapter ceremony team. This group will be able to provide an enhanced experience for a limited number of AOL and/or crossover ceremonies as well as some call-out ceremonies. Youth interested in participating should attend chapter meetings and contact chapter28chief@nawakwa.org. Your message will be forwarded to the Chapter Ceremony Team Chairman. This is a great opportunity to help with ceremonies prior to working at the lodge level.

OA Troop/Team Representative

The OA troop representative enhances the image of the Order of the Arrow by serving as a youth liaison between the troop and the local OA lodge and chapter. He serves as a communication link between the lodge and chapter and the troop. The OA Representative is an official leadership position within the troop, and boys can earn time towards their leadership rank requirements, just as with Den Chief, Troop Scribe, or any of the other leadership positions. This leadership position reports to the assistant senior patrol leader.

We are still looking to sign up a Troop Team Representative for every unit. Unit leaders, please encourage have your Troop/team Rep to attend lodge functions and our monthly chapter meetings. Also have them sign up for our email list by going to <http://www.arrohattoc.org/mailling-list.html>.

Chapter Activities

We meet the 4th Thursday of the month Jan to Oct and the 3rd Thursday in November and December. In addition to our regular business and fellowship, we often have a theme to the meetings. We have had pizza nights, cookie nights, board game nights (Apples to Apples is a favorite). We have had training opportunities and demonstrations.

At the October meeting, the youth had a Halloween costume contest. Andrew R. won with a “current event” flavored Kanye West Any OA member is welcome to join in. We meet at 7:30 in the pavilion behind Hopewell United Methodist Church near the corner of Rt. 288 & Courthouse Road.

At the Go Green / Hallow-Scream Camporee Show, youth assisted with seating, crowd control, and clean up. One member even helped find a “missing unit” for one cub youth.

At the November meeting, members worked on designing a Totem for the chapter. Ideas were further refined in December.

At the December meeting we had Christmas snacks and hot cocoa while we had training for the members of the new Chapter Ceremony Team.

Later in December several Chapter members assisted with The Richmond Community Nativity Pageant at the Carillon. This is an annual service project for the Nawakwa Lodge.

Our next meeting is January 28th.

Nawakwa Lodge Service Weekend = March 19-21

GW-Jeff Trail building experience = April 9-11. REGISTER NOW for this event.

The Lodge has made it a goal to send 125 Arrowmen to complete a 3-mile section of a new trail in the George Washington, Jefferson National Forrest. The chapter would like to cover a full quarter of these positions. The dates are April 9-11, the second weekend of spring break. Contact us for information and the registration form.

Section SR7A Conclave = April 23-25

Cahoon Activity Center

16 January was a busy service weekend at Albright Scout Reservation. Troops 436 and 2806 and Crew 2831 took advantage of the first nice break in the winter weather to help prepare the camp for two upcoming camporees. The roadway to the Camporee parking field was cleared of gravel piles which still need to be spread after the final thaw. There was ice 2" thick on standing water but the sun came out and it was a beautiful day. Troop 2806 camped this weekend at Albright Scout Reservation in Wilderness Campsite 4 near the Ivy Grave site. They will let us know if there were any new hauntings by the young daughter of the 18th Century Ivy family who operated the Ferry to carry travelers across the river to Dinwiddie. Legend is that she comes back from the grave on nights when there is no moonlight to search for her brother so that she won't be in the graveyard alone. They were all warned that she only hunts for single individuals in the woods alone at night, not bothering groups of at least two or larger because she knows that her brother would always be alone. On Saturday afternoon part of troop 2806 did a service project in the Cahoon Forest, constructing water catchment basins around the base of each of the trees. You can pick out the SPL, full uniform, way to go Jason!!!! What gravel pile?

What Cahoon Forest you ask??? Well if you look carefully as you drive by the Cahoon Activity and Training center you will notice that it is now surrounded by trees, including maple, birch and oak. The photos below show the work in progress, which was finished just before the advancing rain made it to the Richmond area.

Nine Brandywine Maples (three pods of 3 trees each) - these grow to a mature height of 25 ft with a 12 ft width in about a dozen years the leaves turn deep red in fall eventually turning to a purple-red and remaining longer than most other maples

Six Heritage River Birch (two pods of 3 trees each)

To add more diversity to the Cahoon Forest, members of Venture Crew 2831 reset a seedling from the famous Virginia Tech Bur Oak directly behind the CATC. It will be the slowest growing but by far the largest when it matures to a height of 75 ft with a spread of up to 100 ft to provide a large shaded program area behind the CATC. If you look carefully through the open doors of the CATC you can see the flagpole which stands in front of the facility.

Arrohattoc District Eagle Scout Project / Board of Review Guidelines

Purpose

The purpose of this communication is to inform adult leaders and scouts of the proper procedure for requesting and receiving approval for Eagle Projects and for requesting a District Representative to sit on Eagle Boards of Review. The District Advancement Committee, which puts these guidelines forth, is responsible for approving projects and participating in Eagle Boards of Review.

Eagle Scout Project

The District Advancement Committee convenes on 11 scheduled calendar dates to review and approve a candidate's proposed Eagle Scout Project. Project Reviews are conducted at the Arrohattoc District Roundtable at the Southwest Church of Christ (7:30 pm to 9:00 pm) on the first Thursday of each month with the exception of July. There are no Project Reviews scheduled for the month of July. Any other requested time for a Project Review is considered an exception and rarely granted. However, if one feels it is warranted, then the candidate must contact a District Representative and make that request. The Advancement Chair will have the sole authority to grant that request upon review.

The candidate must be accompanied to his Project Review by his Troop's Scoutmaster, Committee Chairperson, or Advancement Chairperson. Those individuals are there to answer questions outside the scope of the candidate and when asked by the committee. Otherwise, these guests are there to observe and allow the candidate to represent themselves.

The candidate is expected to have his plans for the project and his approval signatures from the Organizational Representative, Troop Committee, and Scoutmaster in the project workbook prior to his Project Review by the District Advancement Committee.

If, in the opinion of the District Advancement Committee, the project does not meet sufficient standards in the project plan or meets the necessary approval signatures, the District Advancement Committee will explain to the candidate how the project might be improved upon, or why the project is unacceptable. The candidate must then correct those shortcomings and present his project again at the next scheduled project review highlighting only those deficiencies identified by the District Advancement Committee. The candidate should not seek nor expect a second opinion from another representative.

Eagle Board of Review

The Eagle Board of Review is a troop function. A representative of the District or Council is required to be in attendance for all Eagle Board of Reviews and has the same review and voting privileges as every other member of the Review Board. The Chairman of the Board is an adult from the troop, but where the troop is inexperienced with Eagle Boards of Review, the representative may Chair the Board of Review. Before the Board will convene, the candidate must have already secured the signatures of his Scoutmaster and Committee Chairperson on the Eagle Packet. Eagle Board of Review members must be 21 years of age or older to conform to National Policy.

If the Candidate is not successful at the Board of Review, he will be made aware of the reasons why and, when practical, will be told what he can do to be successful. As with other Boards of Review, a candidate must be approved unanimously by all sitting members on the Board.

**Attire**

Eagle Project Reviews and Board of Reviews are formal meetings and as such require appropriate attire. When the candidate meets with district or council representatives, both are expected to be in appropriate attire for the purpose and location of the meeting. Uniforms are always appropriate attire.

Candidates presenting at their Project Review are expected to be in full Class A uniform capable of passing a uniform inspection. Failure to do so will risk his opportunity to present and could result in a re-schedule of his Project Review to the next available date.

When the Eagle Board of Review is convened, the candidate is expected to be in a full Class A uniform capable of passing a uniform inspection. This policy has few to no exceptions. The district representative is expected to be in a Class A uniform or business attire (coat and tie for men or suit for women). These guidelines may suggest attire for the other members of the Board, but they should not be interpreted as a requirement to serve on the Board.
